

VISIT OUR
"CONCRETE
WEEKS" FROM
14.09. –
16.10.2020

14.09. – 16.10.2020:

Experience cleaning power live.

It's the best to experience the convincing power of the Walter cleaning technique live – close up and to try out.

We therefore gladly invite you to come to Ochsenbach for an exclusive visit. Get hands-on experience with our units, ask your questions, enjoy our presentations and get individual advice.

Furthermore, as a highlight, you get a personal tour through the world of Walter cleaning technique for the concrete industry will be awaiting you. Of course, we will provide all necessary protection measures with regard to COVID-19.

We are looking forward to welcoming you here at our premises!

The following topics will be presented to you live:

Automatic mixer cleaning:

- / presentation of the Walter cleaning systems for concrete mixers
- / presentation of the new RD3maX nozzle system and comparison of the nozzle systems on the market
- / nozzle test stand
- / installation safety – the Walter PLD system
- / economy of cleaning systems

Truck mixer cleaning:

- / cleaning of truck mixer hoppers and truck mixer drums
- / system comparison of high pressure and low pressure methods for drum cleaning
